Rider Registration Packet and Schedule

Reinbow Riding Center is offering the following sessions in Spring, Summer and Fall for the 2018 season. We operate at 2579 Eastham Road in Shrewsbury, Vermont with a wonderful staff of instructors, volunteers and a herd of kind, gentle horses. Therapeutic horsemanship is taught by our staff of certified instructors and focuses on horsemanship skills that incorporate educational, recreational, and psychosocial goals. Lessons may be private or group sessions and run from 30 minutes to an hour depending on the participants.

All riders must attend an individual Orientation Session with our staff. This will be your opportunity to visit the site and meet with an instructor. At that time we can answer any questions you may have and set up your lesson schedule.

Please note our new phone number is 802-236-2483.

Check below for the dates of these events and mark your calendars.

Session	Spring (6 Weeks)	Summer (8 Weeks)	Fall (7 Weeks)
Applications Due	April 20	May 15	June 11
Orientation	May 5	June 16	August 11
First Lesson	May 19	June 30	August 25

Our Scheduling/Wait List Guidelines: Reinbow Riding Center requires:

- All riders to submit a fully completed application packet before being considered for scheduling.
- All riders to meet with an instructor at a rider orientation session before the lesson schedule is confirmed.

Reinbow Riding Center serves as many riders as we can safely and effectively accommodate. Those that we cannot accommodate will be placed on our wait list and will be scheduled as soon as there is an appropriate opening. Staff are happy to discuss options with the riders and/or their families, but reserve the right to make the final decision regarding scheduling and placement.

Depending on a participant's needs and with respect to their safety and for the safety of our staff, volunteers and horses participants may be scheduled for either private or group lessons, or may be offered a spot in our un-mounted program.

An appropriate opening is defined as one where the needs of the rider will be safely and effectively met. Variables include the availability of staff, appropriate horse, volunteer assistants, and the rider's individual time constraints.
