Rider Registration Packet and Schedule

Reinbow Riding Center serves as many riders as we can safely and effectively accommodate. Those that we cannot accommodate will be placed on our wait list and will be scheduled as soon as there is an appropriate opening. Staff is happy to discuss options with the riders and/or their families, but reserve the right to make the final decision regarding scheduling and placement.

Reinbow Riding Center is offering sessions in the spring, summer and fall for the 2026 season. We operate at 892 Tarbellville Road in Belmont, Vermont with a wonderful staff of instructors, volunteers and a herd of kind, gentle horses. Therapeutic horsemanship is taught by our staff of certified instructors and focuses on horsemanship skills that incorporate educational, recreational, and behavioral skills. Lessons may be private or group sessions and run for 30 minutes to an hour depending on the participants. The first lesson will be an orientation meeting with the instructor at the Center for an evaluation in preparation for setting up a lesson schedule.

This year our scheduled programs will be held in three 7-week sessions: Our Spring Session is May 18th-July 3rd, the Summer Session is July 13th-August 28th, and the Fall Session is September 7th-October 23rd. Lessons will be held between 9:30 am and 4:30 pm. Please indicate on your application which session you would prefer.

**Please call or email Reinbow Riding Center if you would like more information about the scheduled session times before you fill out the paperwork. We try to accommodate everyone and would like to hear from you.*

Our Scheduling/Wait list Guidelines:

Reinbow Riding Center requires:

- All riders must submit a fully **completed** application packet at least **3 weeks before** being considered for scheduling.
- All riders will use their first "lesson" as a time to meet with the instructor for an orientation session.

Depending on a participant's needs and with respect to their safety and for the safety of our staff, volunteers and horses, participants may be scheduled for either private or group lessons, or may be offered a spot in our un-mounted program. An appropriate opening is defined as one where the needs of the rider will be safely and effectively met. Variables include the availability of staff, appropriate horse, volunteer assistants, and the rider's individual time constraints.
